Thanks for getting back to me.

I was planning on a 2hr call. Maybe we could do 1.5.

I'll check w/ the state board to see if they could do 11-12:30 on 4/23. I'm going to put a hold on your calendars for now, but may be back with new dates next week.

The purpose of the call would be to discuss the ccmp, specifically the governance piece, and the upcoming program evaluation.

Are we talking about a 1-hour call or longer? We might be able to find/make 1 hour of availability in those windows (e.g. 4/23 9-10 or 11-12 (if I reschedule something) for me) but a full 3-hr block may be difficult.

Well, heck, that's not a good list!

I'm definitely out of the office the week of April 8th.

The week of the 23d is tricky.

Gail and I are both supposed to be at Tuesday morning Delta team meetings, so that makes the Tuesday slot awkward.

In theory, I'm out of Friday the 26. But I suppose if that's "it", I could rearrange my CDO and be available.
